Dear Unit Owner:

Greetings from HUB International Insurance Services! We are pleased to continue as the Insurance Agency representing the Master Insurance Policy for Garrison In Dover, A Condominium.

In an effort to assist you, as a unit owner at the Association, we have put together a brief summary of what is covered under the Master Insurance Policy. We hope you will use this letter as a guide when purchasing/renewing your own unit owners insurance policy.

What is covered?

The Master Insurance policy is written on a “Special Form”, which includes coverage for: fire, lightning, windstorm, hail, explosion, riot, aircraft and vehicle damage, smoke, theft, vandalism, falling objects, weight of ice, snow or sleet, collapse, sudden rapid water escape or overflow from plumbing or appliances, frozen pipes, convector units, and mechanical breakdown of commonly owned equipment etc.

What is not covered?

The Master Insurance policy will not cover wear and tear, deterioration, mold, damage by insects or animals, settling or cracking of foundations, walls, basements, roofs etc. There is no coverage for damage caused by repeated leaking or seeping from appliances or plumbing including from around shower, bathtub, toilet and sink. These events are properly classified as maintenance items.

What items are insured under the policy?

The policy insures all the buildings of the association for their full replacement cost. This includes bathroom and lighting fixtures and building service equipment, heating & air conditioning services, ceiling surfaces and tiles, all interior partitions, additions and alterations within Units in excess of \$1,000 which are reported to the Board or Property Manager. Sometimes this is referred to as “all-in” coverage.

What happens if I make upgrades to my unit?

Pursuant to the By Laws Article VI; Section 3c: Each unit owner, prior to commencement of construction of such improvements, shall notify the Board of all improvements to his/her unit (except personal property other than fixtures) which exceed a total value of One Thousand Dollars (\$1,000.00) and upon receipt of such notice, the Board shall notify the insurer under any policy obtained of any such improvements.

What is the Master Policy’s deductible?

The goal is to prevent small losses from being filed as insurance claims. The Master Insurance Company has provided the following deductible to serve as a “risk management” tool to help reduce the cost of insurance for the Association.

\$10,000 per occurrence deductible
\$10,000 per unit ice damming deductible

This will spread the risk for losses to you and your Homeowners Insurance Company as well as the Association’s Master Policy. For example, a kitchen fire causing damage to your unit, your HO-6 policy could be required to pay for the damage up to the \$10,000 deductible on the Master Policy.

Your Insurance:

Pursuant to the By Laws Article VI; Section 3b: Each Owner should obtain insurance for his/her own benefit and at his/her own expense insuring all personal property presently or hereafter located in his/her unit or limit common area, any floor coverings, appliances, and other personal property not covered in the master policy, and all improvements to his/her unit which exceed a total value of One Thousand Dollars (\$1,000) and which are not reported to the Board.

Your individual policy should be endorsed to include special coverage for your unit (this endorsement is commonly referred to as an HO 17 32 Special Coverage A endorsement). You should also confirm that your Coverage A limit on your HO-6 Unit Owner policy is equal to at least: **\$10,000 to cover the master policy's deductible. Confirm with your agent or company that they pay your portion of the Master Policy Deductible and that they ensure that the existence and application of the deductible on the Condominium master policy shall be treated as if there was no insurance coverage for the purposes of the application of any so-called other insurance clause on the Unit Owner's individual policy.**

If you are a **non-resident owner**, you should look carefully at a Dwelling Policy in order to obtain the insurance you need to avoid gaps in coverage with the master policy.

We recommend that you share this letter with your personal insurance agent to confirm that your unit owner (HO6) policy contains the appropriate coverage.

What if my Agent cannot provide me with the correct HO-6 coverage?
